

CIVIC ENGAGEMENT DAY

Write Your Representative Workshop + Voter Registration

April 1st | 1:30-4:30pm | Student Union Lobby

Come use your voice to make a difference! Write a local representative to advocate for something you believe in. Prompts, contact info and materials will be provided.

HEALTHY NEIGHBORHOODS DAY

Lunch & Learn: The Power of Plant Based Nutrition

April 2nd | 1-2pm | Belk 201

Join us for a lunch & learn with the Campus Dietician! Free snacks will be provided for up to 100 students.

CLIMATE CHANGE DAY

Earth Day Festival

April 3rd | 10am-2pm | Belk Plaza

Come find our table at the festival and join us in celebrating Earth Day!

NEW INNOVATIONS IN PUBLIC HEALTH

Evolving to Serve In the Public Health 3.0 Era: A Talk With Past APHA President 'Bill' Keck

April 4th | 2:30-4:30pm | Student Union Theater

Join us for a talk with past American Public Health Association President Bill Keck, on the importance of academic and health department partnerships.

NPHW Reception

April 4th | Following speaker event | Union Theater

Join us in celebrating NPHW! Mingle with your fellow public health colleagues and get a chance to chat with Dr. William 'Bill' Keck. Free food will be provided, catered by Chartwells.

Free HIV / STI Testing for Students

April 4th | 11am-2:30pm | Student Union 265

SEXUAL HEALTH DAY

Informed Intimacy: A Sexual Wellness Symposium

April 5th | 4-6pm | Fretwell 121

Join PLEASE (Peer Leader-Educators Advocating for Sexuality Education), the Center for Wellness Promotion and She-Orgasms for fun activities and conversations centered around improving pleasure and safety in sex.

EMERGENCY PREPAREDNESS DAY

Preparedness Social Media Campaign

Be on the lookout for an infographic created by MPH faculty and students in conjunction with the Emergency Preparedness program. When you see it, post it on social media and tag the PHS twitter @CLTPublicHealth!

THE FUTURE OF PUBLIC HEALTH

#FuturePublicHealthProfessional Social Media Campaign

Let everyone know what kind of public health professional you're going to be! Follow the "I'm __, of course I __" trend by making a video and posting it on your socials! Tag us on twitter @CLTPublicHealth and get reposted!
